Challengers Advance in Finals, Meet Camrose Here Friday

A determined group of Bantam "B" Hockey players from Drayton Valley upset the Fairview Aces in a two-game total point series over the weekend. Led by the superb goal tending of Don McCrae who allowed only one goal in two games and always seemed to be in the right spot at the right time.

The Burrows Motor Challengers defeated the Fairview Aces 2 -1 Saturday evening and came back with 3 unanswered goals Sunday morning to take the two game total goal series 5 goals to 1.

Cameron Selin put the series in the favor of Drayton Valley when he stole the puck as the score was 1 - 0 and broke away to put the Challengers 2 up in the game and 3 up in the series.

An outstanding play that has worked in both the last two series is the shorthanded breakaway speed of Milton Tucker who has scored two goals on excellent timing of rink-length shots by Ron Reich.

The Challengers will now take on the Camrose Bantams, who will probably prove to be the strongest opposition the Challengers have met this year in a two game total point series this weekend.

First game will be in Drayton Valley Friday evening at 8:00 p.m. and the second game will be played at Camrose Sunday afternoon at 5:00 p.m.

Hockey fans are urged to come out to support the Bantams on their road to the provincial honors.

Sunday Morning Sports Again Council Topic

Sunday morning sports was again the subject for considerable discussion at last Thursday's meeting of Town Council.

Fr. Edward Lynch, President of the Drayton Valley Ministerial Association, was present at the meeting and presented a petition bearing 267 names requesting an end to Sunday morning sports activities.

A crowded arena agenda prompted a decision earlier in the winter to schedule two minor hockey practices and some figure skating practice on Sunday mornings.

Fr. Lynch, in support of the brief, suggested that one less practice by each team during the winter would make up the Sunday morning time. He also suggested that more use be made of outdoor rinks for practices by smaller children, freeing the arena for more week-day use by older skaters and hockey players.

He felt that a change was not necessary for the balance of this season but asked that Council give the matter consideration for the future. Council agreed to the request and appeared in support of having the schedule for next season arranged to avoid Sunday morning practices if possible.

Parents Keep Children Home In Seba Dispute

Seba Beach schools opened Monday morning with only 116 of the 439 students enrolled present for classes. The bulk of the student population was kept home by parents protesting Parkland School Committee's planned tuition agreement with Yellowhead School Division to have Seba High School students attend a new school in Evansburg.

The Seba Beach situation has been boiling for some time and at a meeting of about 30 parents last Thursday a decision was reached to keep children out of school until two demands of the Committee of Concerned Ratepayers and Parents were met.

The demands to Parkland School Committee were:

"Withdraw from participation in the tuition agreement with Yellowhead School Division," and

"Guarantee that the present school system will be maintained as to grades and program and improved according to the report of the high school inspector last November."

The parents decided on the action Thursday, in response to a letter from Education Minister Robert Clark indicating that he will not move to block a tuition agreement between the County of Parkland and Yellowhead school division.

As late as Friday of last week School Committee members stated that official notification of approval of the tuition agreement by the Minister had still not been received.

H. M. Grande, chairman of the Committee for Concerned Ratepayers and Parents of Seba Beach, said his group wrote to Mr. Clark earlier this year asking him to over-rule the Parkland-Yellowhead tuition agreement. The minister replied March 5 that the agreement after being delayed for a time will be allowed to go through he said.

About 60 senior high school students from Seba picketed the Alberta Legislature in Edmonton for about three hours Thursday. They carried signs, chanted school cheers and sang the Seba Beach school song.

Nine Ratepayers Attend Meeting

Only nine town residents were present for the Annual Ratepayers' Meeting held in the Council Chambers of the Town Hall on Monday, March 15th.

Those present heard a review of of the town's past year that showed assesments increased to a new high where it now stands at $4,600,000. for 1971.

The meeting was told that the annual budget was now under study with the hope of holding the mill rate at last years 78 mills. Revenues last year exceeded expenditures by the amount of $21,827.

Education again took the largest bite of total revenues -- $135,062. Some increase is anticipated for 1971.

The meeting heard reports from the Mayor and Committee Chairmen and had the opportunity of questioning speakers.

Ratepayers' Annual Meet Scheduled

Residents of Parkland County are reminded of the annual meeting of ratepayers to be held in the new Spruce Grove School on Saturday, March 20th.

School affairs will occupy the first portion of the meeting that will get underway at 10:00 a.m.

Entwistle annual meeting is scheduled for Monday, March 22nd at 7:30 p.m. in the Village Office.

Float Available For Local Parades

The Alberta Government is again interested in participating with its floats in the many parades being held in Alberta's community special days and fair programs this year.

In past years, the attractive gaily colored float emphasising some of the many services available to the Alberta public through the various government departments, has shared in the parade festivities of scores of Alberta towns and villages.

The float is available on request to the Alberta Government Publicity Bureau, 1618 Centennial Bldg., Edmonton, on a first-come basis.

Council Adjusts Closing Bylaw

Enforcement of the closing section of the town Bylaw caused quite a stir on Monday, March 8th when a number of oilfield supply stores and lumber yards were instructed to observe the Bylaw by closing on Mondays.

At Thursday's Council meeting it was pointed out that the stores were overlooked in exemptions and the Bylaw amended to return the situation to normal.

Committee Awards Ambulance Tender

At its regular meeting on Saturday, March 6th, the Breton-Drayton Valley Hospital Districts Ambulance Service Committee awarded the contract for supplying an ambulance to International Safety Services at a price of $9,792.

A sub-committee of H. Stoudt, R. Zander and Ivan Vowk was appointed to study the vehicle tenders, with Dr. William Cookson, Hospital Matron, Mrs. D. Jahnke and Operator Nick Urchyshyn also taking part in the interview with suppliers' representatives.

The sub-committee reported back to the meeting that after bringing all tenders to a comparable base, it found International Safety Services to be the best judged on all requirements.

Unsuccessful tenderers were: Sorenson Distributors, $7,350; and Saskatoon Fire Engine, $9,216.

Members of the committee present for the meeting were Alphonse Carron, George Mann, Alex Danyluk, Ivan Vowk, Hans Hanson, R. Zander and Harry Stoudt.

Mr. Don Patterson of Alberta Government Telephones was present and recommended a mobile telephone for the vehicle. His suggestion for the installation of a 13-channel automatic scan was accepted by the committee.

Schedule of fees was set as follows:

A resident of the Ambulance District requiring an ambulance trip to any medical or hospital facility outside the ambulance district will pay $25.00; resident of the ambulance district requiring an ambulance trip to any medical or hospital facility within the ambulance district will pay $10.00; and non-resident of the ambulance district requiring the service of the ambulance for any purpose, and if authorized, shall pay the normal ambulance rates in effect.

The committee also agreed that Mr. Urchyshyn would commence duties as owner-operator on April 1st.

It was also decided to have the secretary contact the Village of Entwistle explaining the ambulance plan to determine if the community is interested in joining.

Art Munro presents the Most Valuable Player league trophy for the N.C.A.I.H.L. to Sam Belcourt at last Sunday's game.

League trophy for the Best Defenceman in the N.C.A.I.H.L. is presented to Frank Roggeveen by Len Bannard.

League High Scoring Award also went to Sam Belcourt shown above receiving the trophy from Les Brown.

Rebels to Meet Stony Plain In Next Provincial Series

Sunday afternoon the Rebels came back from a two-goal deficit to defeat the Camrose Maroons 7 to 2 in the game and 11 to 8 in the two-game total point series, and now go on to meet the Stony Plain Eagles in a two-game total point series starting Thursday night at 8:00 p.m. at Stony Plain.

The second game will be played Saturday night in Drayton Valley at 8:30 p.m.

The Rebels were led to a 7 to 2 victory over Camrose by a four goal performance by Henry Hodgson.

A good hockey game with not too many penalties at least not until the end of the game when Ron Pool of Camrose picked up 5 minutes for spearing , 10 minutes misconduct and a match misconduct.

Tuesday, March 9th was a bad day for the Rebels when the hustling Westlock Eagles eliminated them from the League semi-finals 3 games to 1.

Rebel goal scores in Westlock were made by Frank Roggeveen, Louis Hendrikson, Barry Ness and Sam Belcourt. Final score in the game Westlock 6, Rebels 4.

Saturday, March 13th the Rebels travelled to Camrose to play the first game of a two-game total point series, but came out on the short end of a 6 to 4 score, Sending them back home for Sunday's game two goals down. Satursday's goal scorers for Rebels were Henry Hodgson with 2, Sam Belcourt and Frank Roggeveen with singles.

Sunday, the Rebels really turned it on. Henry Hodgson scored his first of 4 goals at 13:15 from Doug Hall. Henry tied up the series at 15:16 assisted by Sam Belcourt and Frank Roggeveen. Frank Novosel put the Rebels ahead in the series at 17:02 assisted by Rick LaPointe. Henry Hodgson scored his third goal at 17:15 assisted by Sam Belcourt. Camrose scored their only goal of the first period at 19:27.

In the second period the Rebels scored 3 goals to Maroons 1. Dan Davie started the scoring at 7:07 assisted by Sam Belcourt. Henry Hodgson scored his fourth goal at 8:22 from Sam Belcourt and Terry McGowan. Camrose scored their last goal of the game at 12:22 by Elrod Dilworth.

BY DOUG BARNES

Sam Belcourt finished the scoring in the game at 17:54 from Doug Hall. There was no scoring in the third. The final score 7 to 2 for the Rebels.

Sam Belcourt was presented with the League's Most Valuable Player Trophy and the League's top scorer, Frank Roggeveen was presented with the League's Best Defenceman Trophy.

The Provincial series with Stony Plain will be a real good one as Stony Plain are old rivals of the Rebels. Stony ended in first place in the Edmonton Central League. The Rebels and Stony Plain have played 4 exhibition games this year and won 2 a piece.

Some 250 fans Saturday night and 250 on Sunday morning saw a couple of real good Bantam play-off games. Burrows Bantam All-Stars defeated Fairview Bantams to advance to a Provincial series against last years Provincial champs, the Camrose Bulldogs. The first game Friday night in Camrose and the second game in Drayton Valley Sunday.

Don't miss Sunday's game here, take my word for it these boys are playing fine hockey. Both the Rebels and the Bantams appreciate any fans who also can make it to the out-of-town games to cheer them on. The town of Drayton Valley and District have two good chances to bring two Provincial Championships to Drayton Valley, so lets get out there and cheer these two teams on.

BUCK CREEK NEWS

The Community's deepest sympathy is extended to Deborah and Shannon McAllister (nee Deborah Lee) on the death of their husband and father, Doug McAllister who was killed in a motor vehicle accident near Breton this week. Sympathy is also extended to all of the McAllister family.

D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Francis Law was admitted to hospital on the weekend. Mrs. Law has been ill for the greater part of the winter and it is feared that her stay in hospital may be quite a long one.

The town crew has made great changes in the basement rooms of the Town Hall and the rest room for women and children should be opening soon. This convenience is a project of the Drayton Valley Branch of the Women's Institute. Any woman wishing to donate time for supervising should contact Mrs. Hammerlindl or Mrs. Burrows. Already Mrs. Howard Cathrea has made a most generous offer of two afternoons a week from one to four p.m. Note to the Rev. Bert McQuaid: Women's Institute and Women's Lib. are not one and the same thing, Mr. McQuaid.

Did you know that Mr. and Mrs. John Getzinger and Dr. and Mrs. Maclure have joined the Ancient and Honourable Order of Grandparents? When little Seton Maclure arrived in Edmonton last week he made Paul and Audrey parents as well.

On Sunday Erick Erickson was sitting up in his hospital bed receiving company. He is recovering very well, it seems, after his appendix's abrupt departure. Erick is the son of Mr. and Mrs. Arvett Erickson.

Mr. and Mrs. John Danderfer, of Edmonton, were district visitors on the weekend.

Many of our residents were saddended by the death of Mrs. Conrad (Jean) Fuhr last week. Mrs. Fuhr made many friends here during the years she lived in our town. Our sympathy is extended to Mr. Fuhr, Sharlene, Ronald and Keith.

Mr. and Mrs. Allan Smith, of Yellowknife, gave their parents, Mr. and Mrs. Look and Mr. and Mrs. Art Smith, a most pleasant surprise when they arrived unannounced for a brief visit on the weekend.

Mrs. John Getzinger is home after a stay of nineteen days in an Edmonton hospital where she had a major operation. We wish Mrs. Getzinger a rapid convalescence.

Mr. Romano is one of our town's most enthusiastic gardeners. At the rate his plants are growing there will be ripe tomatoes on his vines by the time transplanting takes place. Mr. Romano starts his plants under artificial light and transfers them to a window green house that he has devised outside a basement window. It will be remembered that Mr. Romano gathered red ribbons (blue and white are not acceptable) at the Women's Institute Flower and Vegetable Show.

MOON LAKE NEWS

Congratulations to Mr. Ralph Tufty and Mr. Ralph Telford who were both lucky winners of door prizes at the John Deere Show, March 1st at Evansburg. Ralph Telford won a set of tools and Ralph Tufty a power chain saw.

Mr. and Mrs. Leo Jensen and Mr. and Mrs. Ralph Tufty attended the twenty-fifth wedding anniversary of Mr. and Mrs. Stan Jevne of Entwistle on February 27th. Mrs. Wilma Tufty held open house for relatives and friends for the occasion. Mrs. Tufty is Mrs. Jevne's mother.

Mrs. Stella Petri of Dawson Creek is visiting at the home of her parents, Mr. and Mrs. Jay Town for a couple of weeks. Her husband will then be motoring down to visit and she will return home after having visited many relatives in this district.

Sorry to hear a former old time resident of this district, Mrs. Annie Weiss passed away recently Mr. and Mrs. Weiss moved to Wetaskiwin a few years ago and have made their home there since leaving here.

Congratulations to Jean Lang, who was the lucky winner of the Jackpot at the Whitby Bingo last week.

See Raymond and Diane Tufty are sporting a new car, guess we'll see you a little oftener now Diane.

Congratulations to the proud parents, Mr. and Mrs. Larry Carnegie on the birth of their baby girl, Trudy Noreen on March 6th.

The Senior Citizens annual turkey supper was held on Sunday March 14th in the community Hall with thirty one senior citizens and eight guests attending. Former senior citizens attending were from Redwater, Edmonton, Evansburg and Sangudo. The supper was served by the ladies of the community.

BUY NOW

Families in Canada today spend 1/5 of their income on food. By practicing these food buymanship tips perhaps you will be able to get more satisfaction from that proportion of your income.

Buy by:- cost/serving for meats - some guidelines.

1. 2 servings/pound if meat is mostly fat and boney short ribs.
2. 3 servings/pound if meat has some fat and bone i.e. chuck roast.
3. 4 servings/pound if meat is mostly lean i.e. hamburger, liver.

Buy by: grade -- For example compare the price on canned peaches: Choice, Fancy, Standard. Choice and standard are the least expensive; food value is the same.

Buy by: most economical quality. -- It is often cheaper to buy quantity foods providing you have the storage facilities.

Buy by: comparing store brands to national brands. Store brands are often less expensive.

Buy by: comparing types of packaging.

Compare the cost of buying corn syrup by the pound to corn syrup sold in squeeze bottles. You pay to be able to squeeze the bottles.

Buy by: food value.

Compare fruit drinks to fruit juices. You're getting more food value by buying juice rather than fruit drink.

Things to remember:

(1) shopping lists help. Plan menus for the week so you will know what to shop for.

(2) remember emergency shelf supplies can be lifesavers.

(3) plan your shopping around specials in the paper before you go to the store.

(4) do not shop on an empty stomach

(5) have the cashier subtotal your grocery bill before putting through your food items i.e. paper products, cleaning supplies etc.

It is wise to remember the Swedish proverb:

"He who buys what he does not need, steals from himself."

Baseball Meeting Planned Thursday

A meeting of everyone interested in the organization and promotion of Minor Baseball will be held on Thursday, March 18th in the Recreation Office at 7:00 p.m. As in past years, the 1971 Minor Baseball program will be under the auspices of the Drayton Valley Athletic Association. From early indications we could be looking forward to the best baseball season that we have had locally in a decade. Baseball suffered a slump around here in the late sixties, however, it seems to be very much alive and on its way back as one of the outstanding team sports played here.

Thursday's meeting will deal with the preliminary planning for the season especially in relation to coaching, equipment, uniforms and supplies for all prospective teams. From here at this writing it would seem that we can expect twelve teams playing locally in our Minor Baseball program this summer. A good number of coaches and other volunteer help will be required if a program of this magnitude is to be carried out successfully.

Plan to attend Thursday night's meeting. The success of this meeting will pretty well set the pace for the summer baseball program.

Come out and make sure that we get off on the right foot.

LODGEPOLE NEWS

The Cub pack spent an evening touring a gas plant and finished up by celebrating two of the boys birthdays at McIsaac's.

Best wishes for good health are extended by all to Mrs. Fritz Joesting who has returned home after a lengthy stay in hospital.

Carol and Vern Hayward and son Kevin of Medicine Hat are spending a holiday week with her parents, the McGregors.

Mr. Morris Allen has taken over driving a school bus, replacing Mrs. Florence Elliot who has given several years of dependable service to the community.

Welcome to new residents, Mr. and Mrs. Matt Hayduk.

Congratulations to Miss Debbie Rehn and Robert Schmidt whose marriage takes place on March 20th at St. Anthony's Catholic Church in Drayton Valley. The Waters girls of Edmonton held a bridal shower for Debbie.

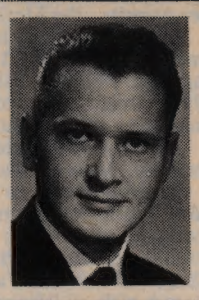
Report From Parliament Hill

By Allen Sulatychy, M.P.



A few weeks ago Parliament engaged in an emergency debate concerning the possible sale of the controlling interest in Home Oil to foreign buyers. Having sensed the will of the Canadian people as expressed by Parliament, the Government moved last week to keep control of this largest of Canadian Oil companies in the hands of Canadians.

Honourable Joe Greene, Minister of Energy, Mines and Resources announced near the conclusion of the evening sitting of the House of Commons on March 11 that the Government began on that day to negotiate with R. A. Brown of Calgary for the purchase of his shares in Cygnus Corporation and Home Oil.

Mr. Brown has been conducting negotiations for the sale of these shares to American interests. The Government had hoped that a Canadian buyer could be found so that a strong Canadian presence could be maintained in this important resource industry. When no Canadian buyer appeared, the Government felt bound to enter into negotiations to purchase the controlling shares for the benefit of all Canadians.

As Mr. Greene pointed out in reply to questioning in the House of Commons the day after his eventful announcement, the main aim of the Government was to protect the Canadian people.

The Minister indicated should the Government conclude a sale with Mr. Brown, such purchase would not be more detrimental to the thousands of Canadian shareholders in Home Oil, than would be a purchase of Mr. Brown's shares by an American company.

"The purpose of the Government will be to insure that Canadian shareholders are in as good a position as if the Brown shares were sold to Ashland Refining. This will be the intention of the Government", Mr. Greene assured.

This case was a special problem according to Mr. Greene and was judged on its own merits. The Government has not yet set up any criteria regarding the takeover of Canadian companies policy in these instances, each case would be judged on its own merits. A policy on foreign investment is expected to be announced soon by Honourable Herb Gray, Minister of National Revenue, who has been working on the subject for about a year and a half.

Mr. Greene's announcement injected some interest into a week of Parliamentary news which was dull, if anything. Most of the week had been taken up with debate on the important bills dealing with Statutory Instruments and the Budget. But few citizens found these items of great interest particularly when mention of them in the news had to compete with the joyful interest of Canadians in the honeymoon of Mr. and Mrs. Pierre Trudeau.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

A new Wilderness Area Act and a $10 million loan fund for industrial development incentives dominated a dull week as the Alberta Legislature ended its first month of sittings.

The wilderness bill, which has already undergone a year of debate and public hearings, contained a few surprises as the government moved to satisfy the demands of conservation-oriented groups.

Access to the 144-square mile areas reserved in their natural state will be by foot only, Lands and Forests Minister Dr. J. D. Ross revealed as the house gave first reading to the bill.

In addition, there will be no hunting, trapping or fishing in the protected areas -- the government's response to public hearing demands that the ecology in wilderness tracts be left undisturbed.

Dr. Ross went so far as to suggest the government may be criticized for being over-protective, although initial reaction across the province thus far seems to favor the bill.

The minister named three existing wilderness areas as "provisional" wilderness zones. A committee drawn largely from the general public, rather than the public service or conservation organizations will be responsible for reviewing the boundaries, and in future making recommendations to cabinet for legislative changes affecting the areas.

Another important change in the revised wilderness areas bill is the fact that it entrenches wilderness areas in legislation. The provision means the Legislature, not the cabinet, will be debating any changes in the protected regions.

The three areas to be set aside under the original provisions of the bill are the Ghost, Siffler and White Goat wilderness areas -- all located in mountainous terrain in the southern half of the province.

Dr. Ross hopes that future protected areas will include example of undisturbed parkland, muskeg country and prairie so future generations can visit all types of habitat in the province.

Industry and Tourism Minister Ray Ratzlaff brought in his Industrial Development Incentives Act last week with a promise it will further diversify Alberta's economy, increase job opportunities and spur manufacturing enterprises in towns having fewer than 40,000 residents.

Under terms of the bill, new plants or plant expansion projects would be eligible for loans up to $500,000 or one-third of the capital cost, whichever figure is lower.

The cabinet intends to give itself the power to forgive repayment of any loan made under the plan. The bill sets a $10 million ceiling on loans from the fund, but during its first year of operation only $3 million will be available.

Opposition Conservatives are expected to chide the government for not adopting the Tory promise of a $50 million rural development fund, but they will probably support the legislation anyway.

Unenforced Bylaw Worthless

Ending the life of any animal is very distasteful to most people -- including members of the Town Council.

A dog bylaw exists to protect the public at large from owners who fail to restrain their pets. Destruction of impounded dogs after the prescribed warning and waiting period weighs heavily on those in office, and following a dog round-up considerable concern is expressed about recovery by owners.

Owners of identifiable dogs are informed of the impounding and the onus of life or death for their animal rests squarely with them. Those charged with making and enforcing the law would much rather have all pets recovered by owners than be forced to end even one life.

If the law is not to be enforced as written, it might as well be thrown out and dogs given the run of the town.

Culture from Reading

Every man is worth just so much as the things are worth about which he busies himself, and culture is the most important fact about human beings. It makes the difference between brutish behaviour and that of a wise man.

Man shares with all animals the first two stages of animal development: sensation and perception. It is the third stage, conception, that makes him human. To sense a thing and perceive it is commonplace: to read, witness or hear some something and to come up with a conception is an accomplishment that belongs to man alone.

Nothing more terrible confronts western man today than that he should allow his essential human culture to be smothered under mechanical things and methods.

Everyone values books as sources if information on every known subject. But the forward-looking person does not stop there. He sees the possibilities in books of deepening his culture, and of learning to use his life in such a way as to increase his possibility of attaining happiness and fulfilment.

Culture is not merely for people of leisure but also for the busiest of people. No matter how well air-conditioned his office may be, the business man should keep a window open on the world.

Self-culture requires intercourse with superior minds. A man who is never brought into contact with minds more advanced than his own will probably run the same dull round of thought and action to the end of his days.

In books are to be found the ideas, beliefs, deeds, visions and passions of men of all human history laid out for the calm consideration of studious and reflective persons.

LETTERS TO THE EDITOR

Editor,
The Western Review.

Dear Sir:

"Love God -- love your neighbor" -- God's Commandments! So few words but what an order!

Let us examine our thoughts concerning a burning issue facing our Community at this time -- Sunday morning sports.

We have a few very capable, very dedicated citizens trying their utmost to keep our young people become involved in sports, to make them strong in body and character, and hopefully keep them off the streets and out of other troubles such as crime, drunkeness and other drugs.

We highly commend these citizens for the time and effort they have put into the program, and the tremendous success achieved.

However, this in turn leaves the Christian Parent in the sad predicament of deciding what the real problem is.

"Keep the Lord's Day Holy" another commandment -- and we realize the issue of Sunday morning sports should never have happened, if we as Christian parents had not failed in our personal duties.

Parents, where were we on Sunday mornings when we neglected to give our children basic Christian guidelines at Church and Sunday School to help them combat the evils of a Society of our own making?

How I wish that we could have forseen that our apathetic attitude toward our Christian duty could lead us to this, and how I wish that we could have forween the need of a larger arena, big enough to handle these sports on six weekdays and left "The Lord's Day Holy"

Signed,
Grateful, but sad and sorry
Citizen,
Eva Hennessey.

Dear Sir:

Fellow Dog Haters

Keep-up the good work. You've killed my eight year old dog that wouldn't hurt a fly -- now let's get after the one's that are running the streets every day that are not so easily coaxed into the Dog Catchers Wagon -- even though they might belong to one of our Town Fathers.

Howie Janzen

The Editor,
The Western Review.

Dear Sir:

It would seem that modern man is so often more willing to criticize than to praise; he seems much more inclined to find fault instead of praising where praise is due. We, the Edson Area Development students, would like to hand a well-deserved bouquet to the taxpayer without whose assistance most of us would have little hope for a brighter future.

Dear Taxpayer:

Most of you no doubt are familiar with the Area Development program, originated under the Department of Agriculture, now administered by the Human Resources Authority, and funded jointly by the Federal and Provincial Governments; most of you no doubt know why it was instituted in certain areas of this province. We, who have benefitted so greatly by this program, feel that it is time that you were given some first-hand information on the progress which has been made with the help of your financial assistance and the untiring efforts of the staff of the Area Development program.

This is how matters stand at the moment:

1. According to the best of our knowledge, virtually all those students who have completed their educational upgrading and/or skill training are now gainfully employed or in business for themselves.

2. According to the Edmonton Journal, a NAIT official, in a 1970 graduation speech, claimed: "90% of NAIT students have jobs waiting for them upon graduation." Since the majority of Area Development students attend NAIT, the implication seems clearly to be that they virtually are assured of gainful employment when their educational upgrading is completed.

3. The above two points, of course, deal only with those students who do complete their educational upgrading, but we have it on good authority that the drop-out rate of students in the educational upgrading and/or skill training portion of the Edson Area Development program is significantly lower than in any other comparable program in Canada. This, we feel, must be attributed primarily to the intensely personal approach of the staff of this program, who have made it a policy to provide not only financial support for each individual student, but also encouragement, guidance and moral support; staff and cousellors see students not as "cases" (or as ciphers to be processed according to hard-and-fast rules) but as individuals with specific social needs, and with a variety of aptitudes and a quantity of potential which need only to be encouraged and developed to bear fruit. The Edson Area Development approach is justified by the results it produces.

You, the taxpayers, have invested your dollars; the dedicated workers and staff in this program have invested a great amount of mental, physical, and emotional effort. Between you, you have made it possible for us, the students, to develop our potential and to become more productive citizens of our society. You have helped members of your own community to help themselves, and we are grateful!

Yours very sincerely,
John A. Udchitz.

price of $26,000.00.

Recommendation accepted.

It was agreed that the Purchasing Committee be authorized to negotiate with Coneco Equipment Ltd. to buy back the used Michigan Model 75A loader, traded in on the purchase of a new one.

Letter dated February 27, 1971 from the President of the Alberta Foster Parents Association was presented to Council requesting financial assistance towards a Seminar put on by the Alberta Foster Parents Association on April 23 and 24, 1971.

It was agreed that this request be tabled for further information.

The financial statement for the month ending February 28, 1971 was accepted.

By-Law No. 9-71 providing for the imposition of a road ban when required by conditions during 1971 received three readings and finally passed by unanimous consent of the Councillors present.

It has been found that the existing road through sections 25 and 26-53-7-5 is not registered.

It was agreed that the titles of these lands be searched to determine whether the road right-of-way has been taken out and to proceed with registration of the road right-of-way.

GRAVEL AGREEMENTS

The following agreements were approved:

1. A road easement across the NW 22-50-6-5 for the purpose of hauling gravel with compensation .05 cents per cubic yard of gravel hauled.

2. Agreement for stockpiling gravel on the SW 3-51-6-5 with compensation of $80.00 per annum for 2 acres of land.

A Delegation from the town of Drayton Valley consisting of Wm. Johanneson, Secretary-Treasurer, Lloyd MacLean, Mayor and Bob Huber were present at the meeting to discuss with Council a possible joint water supply system to serve the Town of Drayton Valley and County residents around the Town.

By-Law No. 10-71 authorizing the payment of a grant in the amount of $4,875.00 for the period April 1, 1971 to December 31, 1971 to the Breton-Drayton Valley Hospital Districts Ambulance Services Board received three readings and finally passed by unanimous consent of the Councillors present.

MAGNOLIA NEWS

A speedy recovery is wished for Mr. John Waddell Sr. and Mr. Rudolph Gylander. Mr. Gylander is in the Drayton Valley hospital and Mr. Waddel is in the hospital at Stony Plain. Get well soon gentlemen.

Recent visitors in the community were Mr. and Mrs. H. Brown of Edmonton, Mr. and Mrs. Harold Anderson of Fallis, Lynne Anderson and a friend from Edmonton.

Belated birthday greetings go to Mr. and Mrs. R. Gylander who share February 24th for their special days.

The ladies held their monthly meeting at the home of Joan Negraiff on March 3rd. There were seven ladies present. Yvonne Nobert was the lucky tea prize winner. Nora McCracken will be the next club hostess.

This community extends heartiest congratulations to one of it's favorite neighbours, Peter McDougall, on his engagement to Miss Irene Conway.

A weekly whist party was held on March 6th with John and Ruby Brown as the hosts. There were enough players for five tables. Danny Roth taking a ladies part won first, Ruby Brown won second, Vera Balfour consolation and Mrs. Storms won the travelling prize. John Brown won first for the gents, Cecil June second and Ray Storms won both the consolation and the travelling prizes.

Ten ladies gathered at Betty McDougalls on Tuesday, March 2nd to quilt a quilt for Betty. They completed it the same day.

,Fraser Anderson held a birthday party on Friday, March 5th after school for Linda, his second daughter, who celebrated her tenth birthday. Ten young friends enjoyed lunch and games with Linda. Happy Birthday Linda.

Several folks from this area attended the wedding dance of Cecile Fontaine and Danny Richter, which was held in Tomahawk on Saturday, March 6th.

Sincerest sympathy is extended to Joan Negraiff on the death of her grandfather.

To you who participated in our Marketing Series held in Keephills, Tomahawk and Stony Plain we would like to thank you for your constructive comments on our evaluation sheets after each meeting. A surprising number actually find out about upcoming events through this column.

At our most recent endeavors, we covered the techniques that producers can use for predicting prices and planning to take advantage of seasonal fluctuations and long term cycles. We also showed how producers can calculate the benefits to be achieved from the new Prairie Grains policy. Producers attending the Keephills meeting were put on our mailing list to receive information on present situation and future outlook for important farm crops and commodities for this area (Examples are Canadian Farm Economics Livestock and Meat Trade Report, Alberta Farm Economist and the Alberta Farm Market Analysis.

Decisions on whether to plant a certain crop, whether to increase the size of herd, or whether to switch to an entirely new area of farming should be based at least in part on this type of information.

Part of this information comes from you as producers when you answer questionnaires. Your answers should be as accurate as possible to help the Canada Department of Agriculture make reliable forecasts.

FARM CALLS

If you do not always find us in the office, we are either attending a meeting or out on a farm call. If we are out, our steno will be glad to assist you in obtaining the information you want and arrange a time when we can meet to interpret it.

The friendly homemaker is the one you always like to meet on a farm call. You have just run over her cat and could just as easily have driven away, but you go up and knock on the door explaining you have killed her cat and wish to replace it. "Okay". she snaps, get busy, there's a mouse in the pantry". Oh boy...

LIBRARY NEWS

"Arfive" by A. B. Guthrie Jr. is the last of a series that included "The Big Sky" and "These Thousand Hills." A western without "bad guys and good guys."

Donald Braider has written an historical novel based on the life of the famous painter, Pieter Paul Rubens. It is called "An Epic Joy" and appears to be carefully researched. "It Never Rains in Los Angeles" by Charles Flowers has as its theme people-good and bad; black and white in a Los Angeles High School. "The Antagonists" by Ernest Gann deals with the Roman siege of the Jews in the year 73 A.D. Of this book Irving Stone says "the author has given the story of Masada contemporary significance." "Hijacked" by David Harper is a thoroughly modern book as filled with suspense as Hailey's "Airport."

Also books by Mary Jane Ward, Herman Hesse, Alistair MacLean and Kaye Starbird.

TRAFFIC DEATHS DOWN IN 1970

Traffic deaths dropped nine per cent in 1970 compared with 1969. It was the lowest fatality count in Alberta since 1967, and the first major drop in any category at the unofficial annual traffic summary done by the safety council since 1961. A total of 315 fatal accidents took 394 lives in 1970 compared with 351 accidents which claimed 434 lives in 1969.

Beef Club Meets At Moon Lake

The March meeting of the Moon Lake 4-H Beef Club was held on Tuesday, March 9th at 8:00 p.m. in the Moon Lake Community Hall.

The roll call which was "Problems I am having with my calf" showed all members present.

Achievement Day was discussed and it was decided that the colors for achievement day for our club will be blue jeans, light blue shirts and black ties.

Debbie Hansen, then presented a very interesting talk on "points in judging".

The club members who are public speaking practised their speeches at the meeting and also tried their hand at impromptu speeches.

After adjournment Mrs. Catt and Mrs. Johnson served a delicious lunch.

Wakathon Raises $1100

ALDER FLATS -- Forty six members of the Alter Flats Students Union grossed over $1100.00 on a weekend Wakathon Contest. The contest began 4:00 p.m. Friday, February 19th and concluded on Sunday 8:00 a.m. with twelve of the fory-six students staying awake the entire forty hours.

The money was raised by getting people to sponsor the students for every hour they were able to stay awake.

The two top money makers were David Fricke bringing in $96.00 and Brenda Schneider $94.00.

The students have decided to donate a good percentage of the money toward development of recreational facilities in the community. The Students Union wishes to thank all of the sponsors for helping to make this event a success.

High School Holds Winter Carnival

On Friday, March 12th, Frank Maddock High School had it's first annual winter carnival and for those who were there, the events that took place were a big success. The first event, a fast and furious hockey game between the grade 10 girls and staff (Clippers) and the grade 11 and 12 girls (Voyageurs). The Clippers took it with a final score of 5 - 1.

The chuckwagon races followed. Three people pulled numerous sliding objects around a set course on the ice. One other person sat in the tub, sleigh, etc., and after three heats, there was a draw between the girls basketball team representatives and the intramural board team.

The broomball game that followed was between the staff and students. The students (yeah!) came out on top with a score of 2 - 0

There was a ski-doo rodeo with about twelve machines participating. The events were poles, stakes, barrels, key-hole, hill climb, and slalom. In the poles event, the winner was Jerry Bills; runner-up - Dan Wickland, and third Clayton Wickstrom. The winner of the barrels was Jerry Bills, second Dan Wickland, and third - Larry Wall. Jerry Bills was again first in key-hole, second - Dave Getzinger, and third - Jim McKillop. Clayton Wickstrom was first in the hill climb, second - Dave Wensley, and third - Dan Wickland and Don Serenas (tied). In the last event - the slalom, a ski-doo pulled a skier through a set course Derrick H. and Zane R. came through first, second - Clayton W. and Bruce C. and third - Jeff W. and Doug S.

There were also two house league events that took place towards the end of the day. The first was a tug-o-war on the bumpy but still rather slippery ice. House I came out victorious. The second event - the Tube Tussel - was a first at Frank Maddock High School. It took place out in the middle of our very snowy field. Two teams faced each other with a huge inner tube between them and the object was to get the tube through your apponents goal posts. After some exciting action House I again came out on top.

For an end to a good day there was a dance featuring the Sundance on Friday night where the winner of the jelly-bean contest was announced. It was Mrs. Tufton who hit it right on the nose with her guess of 1,160 jelly-beans. Her prize was - you guessed it, a great big jar full of jelly-beans. All proceeds from the dance will go for tickets for our Ice Canival Queen Candidate, Janey Geddes.

In general, the whole day was a huge success.

FORAGE MARKETING BOARD UNACCEPTABLE

The Honorable H. A. Ruste announced last week that the proposed plan for the establishment of an Alberta Forage Seed Marketing Board is unacceptable in its present form. The Minister said he had been advised by the Agricultural Products Marketing Council that in their opinion the plan proposed would not be acceptable to the growers of forage seed in Alberta because of possible damages to the complex foreign market.

Mr. Ruste stated he wanted to assure the growers and the forage seed trade that at least in 1971 there would be no interference with the delivery of forage seed crops according to contract terms

Grande Cache doesn't have the copyright on head lice, as we found out in our schools last week. However, our outbreak is small and has been caught in the very early stages. Thanks to the Health Unit Staff and additional nurses hired to help by Monday, nine cases were discovered. With the co-operation of all, it will soon be eradicated and not spread any further.

By the way, if you are scratching when you read this it may be only psychological. Remember it is not a disgrace to become infested with head lice, but it is a disgrace not to do anything about it.

Education Week has come and gone. The question of what to teach and how to teach it has always been discussed. The following poem was taken from a book called Recitations for Little People. It is completely yellowed with age and in such battered condition that the cover and date of publication are missing. Thanks to Mrs. Joyce Dusterhoft for sharing it.

WHAT FATHER SAYS

My little boy is eight years old,
He goes to school each day;
He doesn't mind the tasks they set--
They seem to him but play.
He heads his class in raffia work,
And also takes the lead
At making dinky paper boats--
But I wish that he could read.

They teach him physiology,
And, O, it chills our hearts
To hear our prattling innocent
Mix up his inward parts.
He also learns astronomy
And names the stars by night--
Of course, he's very up to date--
But I wish that he could write.

They teach him things botanical,
They teach him how to draw,
He babbles of mythology,
And gravitations law,
The discoveries of science
With him are quite a fad,
They tell me he's a clever boy--
But I wish that he could add.

In 3000 B.C., Egyptian head pillows were made of wood, elaborately carved in the shape of large hands or animals. The ancient Japanese used porcelain.

Larsson Rink Wins Home, School 'Spiel

The Buck Lake Home and School Bonspiel was held Sunday, March 7th at the Curling Rink with 12 teams entered. Students from grades 6, 7 and 8 made up the teams, with mothers who had skipped in previous School Bonspiels, skipping for them.

They provided a banquet at noon for the students, and donated food to sell over the counter. All of the students received lovely trophies, and the Mothers' prizes were curling pins.

Results of this Bonspiel were as follows: Winners of the first event were: LeOpal Larsson, Skip; Ricky Bohning, 3rd; Jeannie Belcourt, 2nd; and Ricky Wasyk, Lead. Mrs. Darragh, Jim and Yvonne Darragh and family and Lee's sister, Kay's two boys were weekend visitors at the Lee Darragh home last week. The Darraghs are from Calgary.

I am sorry I didn't get the February bingo winners in the paper. Now I forget who all the winners were. Mrs. Durham and Mrs. Hemberg split the jackpot. Susan Mirlock, Rose Pare and Mrs. Hemberg won prizes too. At our last bingo Mrs. Woodruff and Mrs. Finch won raffle prizes and Shirley Morrill, Joan Beauchamp, Mary Blatkewicz and Mrs. Finch won the door prizes. One the big draw the prizes were won by Howard Ashton, Lloyd Swap and Ernie Lindskog. Our next monthly meeting will be April 6th. The next bingo will be April 13th.

Plans are under way for our supper and dance to be held on March 27th. All proceeds from this dance will go to buy our boys ball club uniforms. The tickets will soon be on sale and can be bought from any member.

Phyllis Kelly went to Whitecourt on the weekend to visit with Cecil who is working at Swan Hills. I

The Marv Grue family spent the weekend at Armena. Marv's father was 82 years young on Saturday so the family went to help him celebrate.

The Ramona Girl Guides invited the Drayton Valley Guides out for a toboggan party on Saturday, March 13th. They had supper at the hall then went to Kos's for tobogganing. At about nine they went back to the hall for a sock hop and wiener roast. The girls say everyone had a real good time. The girls are planning a bazaar, bake sale and raffle for the near future, a date will be set soon.

Susan and Tony Mirlock have Tony's Uncle visiting with them.

Mr. and Mrs. Herman Dusterhoft have sold their house in town and moved back to the farm at Whitby. Welcome back folks.

Local Association Regular Meeting

A general meeting of the Local Association of Guide and Brownie Mothers was held in the Scout Hall on Wednesday, February 24th, 1971 at 9:45 p.m.

The meeting began after the regular Guide meeting at which the Guides put on a program for Thinking Day. At the conclusion of their program they served a very unusual lunch accompanied by coffee.

Mrs. Hammerlindl then showed her colored slides of a Quebec Guide camp she had attended. We would like to thank Mrs. Hammerlindl and the Guides on behalf of the mothers who attended for a very intertaining evening for they had obviously done a great deal of preparation. Mrs. Shank, District Commissioner, who had been present at the Guide meeting joined the Local Association meeting.

The Association has been asked by the Brownies to assist them on April 14th to test individuals on their requirements for attaining the "Golden Hand." These tests will be held at the Scout Hall. Any mothers who would be interested in assisting please phone 542-3201 or 542-2126, for further information.

We have also been requested to recruit a new Guider. This is a time and energy consuming position but we feel after receiving the end result, a rewarding one. A Guider helps to build young girls into responsible young women who are an asset to any community. You do not have to be a mother of a Guide or Brownie. You do not have to have had any previous experience or training. You do have to have a desire to work with young girls, ages 10 to 14. If you have -- then we need you! Please call us at 542-2126 or 542-3201.

Leprechauns to Play in Taber

The PeeWee Leprechauns upset the favored Stony Plain PeeWee "A" 4 - 1 in the second game of a best of three series Saturday afternoon after losing a close 5 - 4 decision at Stony Plain Friday evening. Final game of the series will be played at Stony Plain Tuesday evening at 7:00 p.m.

The Hotel Leprechauns are now preparing for a 32 team PeeWee Tournament at Taber on the Easter Weekend. Taber is hosting the Tournament which will be featuring teams from the four Western Provinces and a team has been entered from as far south as California.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending March 13th, 1971 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	5100	3600	1500	3650	100
Last Week	4461	3126	1335	3211	428
Same Week (1970)	6164	4400	1764	2893	301

Total Cattle & Calf Sales:
Jan. - Feb., 1971 - 42,156.
1970 - 44,090, down 4.4%

SUMMARY

This week's receipts higher under more spring like weather conditions. Sales were mostly fleshy yearlings in the 600# weight range. Trade moderate at generally steady prices on all classes. While there was some increase in sales of slaughter steers and heifers they were still in short supply. Slaughter steers firm to 25 higher. Butcher heifers generally unchanged. Butcher cows steady to slightly higher in spots. Veal about steady. Replacement prices generally steady under closer sorting by buyers.

SLAUGHTER CATTLE & CALVES

Butcher steers sold unevenly in the opening rounds from 25 lower to close steady with sales to 32.00. Taggy animals are quite common at this time and are being discounted accordingly from 50 to a full 1.00 per cwt. There was no change in butcher heifer quotations for the week with the odd choice package topping 29.60. Good butcher cows were mostly steady throughout with the odd extra good conditioned kind selling 50 over regular quotations. Canner and cutter trade lost some of its fire and were 50 cents lower as the week closed. Bulls steady with very few good kinds on offer. Veal about steady for the quality offered.

REPLACEMENT CATTLE AND CALVES

With yearlings weighing mostly over 550# there are more replacements being recorded as feeder steers and heifers and less as stock calves. Good green feeders and stockers continue to sell high under a good demand for the limited supply. Fleshier classes were no better than steady for the week. One load of stock calves were through-billed from B. C. to Ontario.

SHIPMENTS

Last week's cattle and calf shipments off the Edmonton Public Stockyards were: East - nil; Manitoba - 26 slaughter; Export 25, Feeders to southern Alberta areas - 1250.

CLOSING QUOTATIONS

SLAUGHTER CATTLE

HOGS: EDMONTON:

E.S.Y. butcher hogs sold up to $3.00 lower this week ranging in bases price from 20.50 - 22.30. Sows 13.75 - 14.05 dr.wt. Boars $2.00 - $10.00, depending on weight at quality. 950 feeder hogs sold this week (Tues. & Thurs.) ranging from $17.70/cwt. for 100# feeders down to 14.00/cwt. for 150 lb. feeders. Weaners and light feeders sold by the head from $8.00 ea. for weaners to $16.25 ea. for 80# feeders.

SHEEP & LAMBS

Good to choice butcher lambs sold mostly rail grade, one package live at 26.50/cwt. Feeder lambs 23.00 - 24.00/cwt.

ALDER FLATS NEWS

Great going girls! Margie Hammond, Joice Hayduk, Nellie Hare and Lana Blades on winning suitcases by placing second in the 3rd event in the Drayton Valley Ladies Bonspiel the past weekend.

The other rink from here was entered by Bernice Johnson with Gladys Maciborsky, Connie MacLean and Verle Sluchinski. We didn't come home with any prizes (just aches and pains) but enjoyed it very much and the banquet and entertainment was terrific.

Ron and Marie Blades motored to Wetaskiwin last Thursday, Joyce Hayduk was in charge while they were away.

Dennis Maciborsky's rink placed 4th in the second event in the Rimbey Bonspiel and received lamps. Jim Capaniuk, Dwight Kellgren and Jim Wilson made up the foursome.

Dennis Maciborsky was home from Thursday 'till Monday on days off.

Mr. and Mrs. Jack Jeffcott visited with Jack Romanson while they were at Drayton last week.

The Alder Flats Pee-Wee's placed second in the league as they were defeated by Winfield Friday night be a score of 2-1. Rod Baldes scored the goal.

Hunger Lunch Planned by A.C.W.

The March meeting of the A.C.W. was held at the home of Winnie Hammerlindl.

It was decided to hold a hunger luncheon after morning services on Sunday, March 28th. A lunch of soup and crackers will be served in the Parish Hall for the price of $1.00. The proceeds will be donated to Dr. McLure's Missionary Fund. Everyone welcome.

Dr. McLure obtained a large shipment of medical equipment from the U.S. Army surplus. It would be greatly appreciated if anyone wished to make a donation to help pay the $600 freight bill. The equipment will be used at the mission hospital in Uganda.

Gloria Belcher read from John 4: during the educational portion of the meeting. A very interesting and enlightening discussion took place following the reading.

The next meeting of the A.C.W. will be held at the home of Mrs. Gloria Belcher, April 13th.

PARKCOURT NEWS

Everyone is now enjoying the fine spring weather and some are trying to hasten the season by ordering chicks and seeds and beginning spring housecleaning. There also seems to be a lot of flu going around. Those on the sick list were Mac and Brian Tuttle, Richard Semenyna and Mary Paulduro who is now home after nine days in the Drayton Valley Hospital.

The regular meeting of the Gay Gatherers was held at the home of Mrs. Marion Fausak on Tuesday night. The home economist from Stony Plain, Mrs. G. McDavid spoke on Women's Rights and conducted a discussion period. The regular meeting followed and it was decided to hold a social evening at the hall on the 20th. Materials were distributed for the bazaar and an Easter party was also planned to be held in the Easter Holidays. Mrs. Sandy Paylowski won the hostess prize.

Mr. and Mrs. Pete Prylowski spent Sunday visiting her sister and brother-in-law at Robb.

Fashion Show Proves Success

The United Church ladies put on a fashion show on Saturday, March 13th in the afternoon and evening. The tables were very nicely decorated and the stage looked like a flower garden. This was done by Mrs. Marjorie Gill; Jacqueline Smith and Mrs. Doreen Ellery.

The ladies showed a variety of clothes, first coats and suits; then casual wear; evening wear; sport wear and finally lounge wear. The male models showed sport and dress wear. The children looked cute in their different outfits.

All the modelling ladies were members of the United Church. Everything was received very well by the audience.

Entertainment between the showings made a nice contrast. Piano selections were very well presented by Mrs. Cheryl Waldin as was the commentary by Mrs. Shirley Machan and Mrs. Marjie Edwards.

All the ladies in the audience enjoyed a cup of coffee or tea with sandwiches or squares.

BURTONSVILLE NEWS

Mr. and Mrs. Paul Emmel were recent visitors to this area.

Marie Raymond spent a few days visiting her sister Mrs. E. Homme last week.

Mr. and Mrs. Charlie White and family were Sunday visitors at the John Scheideman home.

Visitors to the Tattersall home on Sunday were Mr. and Mrs. George Draves and family of Edmonton, Theresa and Jim Miller, and Eleanor Osbak.

The Burtonsville W.M.S. held its monthly meeting at the home of Emma Homme.

HOME FROM HOSPITAL

Lonnie Getzinger, son of Mr. and Mrs. George Getzinger has returned home from a stay of a week in the Misericordia Hospital, Edmonton.

Minister Reports on Grain Situation

The Hon. H. A. Ruste, Alberta's minister of agriculture, urges farmers in this province to deliver barley to their elevators as soon as possible. He reports that if sufficient barley supplies are delivered within the next few weeks, the Canadian Wheat Board can make additional barley sales in the near future which will leave more space available for the new crop. If barley is not delivered until towards the end of the present crop year, there is a very good chance that these potential sales will be lost.

Mr. Ruste has recently returned from a trip to Vancouver and Winnipeg where he gathered first hand information on present and future grain movements. His trip was prompted by a number of questions regarding the ships at West Coast ports waiting for grain while farmers here were waiting to deliver grain and oilseeds to elevators.

Mr. Ruste reports that compared to last year, grain exports from Prince Rupert were up almost 50 per cent. They were up 50 per cent from Vancouver and more than 50 per cent from Victoria.

West Coast ports exported a record 23 million bushels of grain and oilseeds in February compared with 16.1 million in February of 1970. So far this year, 133.5 million bushels have been exported from these ports. The target for the end of July is 250 million bushels.

The previous high was in 1965-66 when approximately 236 million bushels were exported. "It should be noted", says Mr. Ruste, "that wheat made up the bulk of the exports at that time, whereas barley and rapeseed have accounted for a substantial part of the trade this year". Both barley and rapeseed exports are approximately double what they were at this time last year.

"Grain supplies at the West Coast terminals are down and the steady loading of ships", says Mr. Ruste, "will require a steady supply of grain cars arriving from the Prairies. When one realizes that in excess of 650 cars can be handled in one day, it is obvious that there is a substantial movement of grain underway".

According to Mr. Ruste, the block grain handling system has improved the movement of grain substantially. There is more flexibility in this system than there was in the old one, and the type of grain needed for delivery at the coast can be moved into position. He stresses that, in the long run, producers are better off delivering what the market needs.
